Ref. Antidumping Investigation on Aluminum Foil in Coil from China

Today, the Mexican Ministry of Economy initiated an antidumping investigation on aluminum foil in coil. Below please find a summary of the main aspects of this investigation:

1. **Product Description:** Aluminum foil in coil for domestic use and/or industrial with a thickness equal or less than .080 mm, without support, rolled but not further worked, with an external diameter equal or greater than 100mm with a weight greater than 5 kg.
2. **Mexican HTS:** 7607.11.01
3. **Petitioner:** Almexa Aluminio, S.A. de C.V.
4. **Period of Analysis of Injury:** January 1, 2015 to December 31, 2017.
5. **Period of Investigation:** January 1, 2017, to December 31, 2017
6. **Date to submit Questionnaire:** October 23, 2018
7. **Dumping Methodology:** Mexican Ministry is considering China as a non-market economy and, thus, it is using the United States as surrogate country.
