

ANTIDUMPING | INVESTIGATION ON IMPORTS OF ALUMINUM HOLLOW PROFILES FROM THE UNITED STATES AND CHINA

Today, March 5th, 2025, the Mexican Ministry of Economy published the [Notice of Initiation of the Antidumping Investigation on imports of Aluminum Hollow Profiles from the United States and China](#), in the Official Gazette of the Federation.

- **Petitioners:** Cuprum, S.A. de C.V. and Indalum, S.A. de C.V.
- **Product under investigation:** Hollow aluminum profiles, which consist of structures of various shapes and dimensions manufactured by an extrusion process. They have a different shape to that of aluminum sheet, plate, rod, bar, tube and wire. For profiles, the term “shape” or “section” is sometimes used. The cross-section completely encloses one or more hollows.
- **Tariff item:** 7604.21.01 of the Mexican HTS.
- **Normal value determination:** The Ministry decided to use the constructed normal value methodology for China and domestic price references for the United States in its determination of normal value.
- **Period of investigation (Dumping):** July 1st, 2023, to June 30th, 2024.
- **Period of analysis (Injury):** July 1st, 2021, to June 30th, 2024.
- **Deadline to answer questionnaire:** The last day for exporters and importers to submit their questionnaire to participate in the investigation is April 15, 2025, although an extension may be requested.
